2. PRICE AND PAYMENT

21 The Price is the Company's current price for the Goods and any incidental services as at the Contract Date or (if applicable, and subject to clauses 3 and 4) the Price quoted by the Company. Any difference between the price of the Goods at the Contract Date and at the date of delivery, due to circumstances beyond the Company's control, is to the Customer's account and the Price shall be adjusted accordingly.

22 Where the Customer requests the Company to estimate the quantity of the Goods to be supplied from sketches, plans, schedules, specifications or otherwise, the Customer agrees to pay for any variation between the estimate and the actual quantities supplied and the Contract shall be deemed to be adjusted accordingly.

23 Where the Price is quoted on a FIS basis:

- (a) the Price includes all expenses necessary for the Company to deliver the Goods to the delivery site noted in the Contract;
- (b) the Price includes the cost of processing of Goods via the Online Portal;
- (c) unloading of the Goods at the delivery site is to the Customer's account;
- (d) the Customer will arrange for unloading of the Goods at the delivery site within 30 minutes of the carrier arriving on-site; otherwise, waiting time may be charged by the Company;
- (e) the Customer will ensure at its own expense that a reasonably safe and hard surface road or access-way is made available for use by the Company's carrier.

24 Payment for the Goods will be made on the terms contained in the Contract. If not otherwise specified in the Contract, the Customer shall pay for the Goods on the 20th of the month following receipt of an

- invoice (time being of the essence). An invoice will be issued by the Company on delivery or proof of shipment. If the Company is required by law to repay any amount on account of the Price, that amount will be deemed not to have been received by the Company and the Company shall be restored to the position it would have been in had no such payment been received by the Company.
- 25 The Company may, at any time, require the Customer to:
- pay some or all of the Price in advance of the scheduled payment date;
 - pay some or all of the Price by letter of credit, bank cheque, post-dated cheque; and/or
 - secure payment of some or all of the Price by providing an assignment of debt, lien, mortgage, charge, guarantee or any other form of security.
- 26 The Company shall, without prejudice to any other remedy available to it at law, be entitled to treat any failure to make payment on the due date as a repudiation of the Contract by the Customer. In no event shall the Company be obliged to make any delivery of Goods if an Event of Default has occurred.
- 27 All expenses, costs, fees and disbursements incurred by the Company in recovering the Price and any other amounts payable under these Terms shall be recoverable from the Customer as part of the purchase price.
- 28 The Price will be stated before the addition of any applicable credit card payment fee. Where the Customer chooses to make payment under the Contract using credit card the Customer will also pay the applicable credit card payment fee.
- 3. QUOTES**
- 31 A quotation by the Company is based on the current price for the Goods and any incidental services (based on the Company performing the work during normal working hours) and subject to availability from the Company's usual source of supply as at the date of the quote and shall not be binding on the Company unless the Customer has accepted the Company's quote within 30 days from the date of the Company's quote (time being of the essence).
- 32 The Company shall not be responsible for any errors or omissions caused by the mutilation or incorrect transmission contained in a facsimile message, electronic mail, Online Portal message or other means of transmission in which the Customer has accepted the Company's quote.
- 33 For the purpose of calculating increased costs under a non-fixed price Contract, the Price specified in the quote does not include any labour costs. The Price shall be adjusted by the Company to reflect all labour costs and any other increased costs.
- 34 Labour costs for the purpose of calculating increased costs under the Contract will be based on Labour Cost Index (All Labour Costs), plus an allowance for holiday pay and insurances.
- 35 No allowance is made in the Company's quotation for any items set out under Special Conditions in the Company's quotation form.
- 36 Any quotation by the Company for an Indent Order is subject to the Indent Order Terms and Conditions set out in Appendix A.
- 4. VARIATIONS**
- 41 Any requested variation to the Goods or work covered by the Company's quotation must be notified in writing by the Customer. If the Company agrees in writing to such variation, the Company's quotation and the Price will be adjusted accordingly. If a variation is agreed after the Contract is formed, the Contract and the Price will be adjusted accordingly.
- 42 Should the Customer request the Company to work overtime or extra shifts, and where the Company agrees to such request, the Price will be adjusted to reflect the increase in cost caused thereby based on the excess rates paid and working hours recorded.
- 43 The Price will be adjusted to reflect any extra cost or expense incurred by the Company because of any instruction received from the Customer or any action or inaction on the part of the Customer.
- 5. CONTRACT**
- 51 These Terms shall be read subject to the express terms and conditions contained in the Company's quotation, confirmation of order and/or, to the extent applicable, contained in any Confirmed Indent Order in accordance with the Indent Order Terms and Conditions. The Contract is subject to the Company having the Goods in stock and subject to availability from the Company's usual source of supply.
- 52 To the extent permitted by law, all other conditions, warranties, guarantees, descriptions, representations, conditions as to fitness or suitability for any purpose, tolerance to any conditions, merchantability, appearance, safety, durability or otherwise (whether of a like nature or not) and whether express or implied by law, trade custom or otherwise, are expressly excluded.
- 53 If there is a conflict between the Customer's order (including orders made online via the Online Portal) and the Company's confirmation of order (including these Terms), the Company's confirmation of order (including these Terms) will prevail.
- 54 An agent or representative of the Company is not authorized to make any representations, warranties or agreements that a senior executive of the Company has not confirmed in writing. The Company is not bound by unauthorized statements. Unauthorized statements cannot form a contract, or part of a contract, collateral to the Contract.
- 55 The rights, powers and remedies provided for in the Contract (including these Terms) are in addition to, and do not limit or exclude (or otherwise adversely affect), any right, power or remedy provided to the Company by law.
- 56 The Customer's obligation to pay amounts (other than the Price) to the Company under these Terms shall be continuing and separate obligations which will survive termination of the Contract and payment of the Price.
- 57 The Customer's use of the Online Portal may be subject to additional terms of use, which will be notified to the Customer via that Online Portal.
- 6. TAXES AND DUTIES**
- Unless expressly included in the quotation from the Company, the Price will be stated before the addition of GST and any other taxes and duties charged or levied in connection with the supply of the Goods and any incidental services to the Customer. GST and all such other taxes and duties will be charged to and borne by the Customer (in each case, at the rate applicable at the date of any relevant invoice).
- 7. DEFAULT INTEREST**
- The Company may charge the Customer Default Interest on any moneys due but unpaid under the Contract which will be calculated on a daily basis at a rate of 1.5 per cent per month. The Default Interest is payable from the date payment is due until the date the Company receives payment. The Company's right to charge Default Interest is without prejudice to any of the Company's rights, powers or remedies arising after the Customer's payment default.
- 8. DELIVERY**
- 81 Delivery of the Goods will be made at the Customer's premises unless the Customer has instructed otherwise in the relevant order. If the Customer fails to take delivery, the Goods are deemed to have been delivered when the Company was willing to deliver them and the Customer shall pay the Company an amount equal to any extra cost the Company incurs for either transport or storage or both.
- 82 Estimated delivery dates and times are estimates only and the Company accepts no responsibility for delay in delivery howsoever caused.
- 83 Delivery is deemed to occur:
- for a FIS Contract, when the Goods are ready and available for unloading at the delivery point noted in the Contract or the site designated by the Customer; or
 - in any other case, when possession of the Goods is taken by the Customer.
- 84 The Company may deliver Goods by instalments. Each instalment is deemed to be a separate contract on the same terms as the Contract. If the Company fails to deliver, or makes defective delivery of, one or more instalments, the Customer is not entitled to cancel the Contract.
- 85 Delivery of up to 10% more or less of the quantity of goods ordered by the Customer constitutes performance of the Contract by the Company. The amount under or over supplied shall be deducted or charged for pro rata and the Price shall be adjusted accordingly.
- 86 If the Customer requests delivery to be made outside of the Company's normal working hours, the Customer shall pay to the Company an amount equal to any extra cost the Company incurs in connection with this request.
- 9. RISK**
- 91 All risk in and for the Goods passes to the Customer on delivery by the Company.
- 92 If any of the Goods are damaged or destroyed prior to property in them passing to the Customer, the Company is entitled, without prejudice to any of its other rights or remedies under the Contract (including the right to receive payment of the Price), to receive all insurance proceeds payable for the Goods. This applies whether or not the Price has become payable under the Contract.
- 93 The production of the Contract (including these Terms) by the

Company is sufficient evidence of the Company's right to receive the insurance proceeds without the need for any person dealing with the Company to make further enquiries.

10. PROPERTY

101 Property in, ownership of and title to the Goods shall not pass to the Customer until:

- (a) the Customer pays the Amount Owing in full and all other amounts owing under this Contract and any other Contracts; or
- (b) (if applicable) the Customer resells the Goods pursuant to the authority granted by these Terms.

102 Until property in Goods passes to the Customer, the Customer holds the Goods as the Company's bailee and, as agent for the Customer, the Company (and its employees and agents) may, without prior notice, enter upon any land or premises where the Company believes the Goods are kept in order to inspect the Goods. The Customer must store the Goods so they can be identified separately from the Customer's own goods. The Company authorizes the Customer, in the ordinary course of the Customer's business, to use the Goods or resell them for full consideration. This authority is revoked immediately if:

- (a) an Event of Default occurs; or
- (b) the Company notifies the Customer in writing that this authority is revoked.

11. MILL CERTIFICATES

If the Goods are of a type for which mill certificates are ordinarily issued, the Company will supply a mill certificate for the Goods upon request from the Customer. The Company may charge the Customer a fee for the mill certificate.

12. FABRICATION

121 If the Company fabricates the Goods, the Company warrants the fabrication against faulty workmanship for a period of 6 months from the date of delivery of the Goods.

122 The Company warrants that the fabricated Goods will substantially conform with written specifications supplied by the Customer.

123 A claim under this clause must be in writing to the Company (addressed to the Company Secretary) within 6 months from the date of delivery of the Goods and no claim can be made under this clause unless and until the Price is paid in full. The Customer must also give the Company notice of any defect in the Goods within 7 days of the defect becoming apparent.

124 The Company's liability under this clause will be limited in its sole discretion to:

- (a) restoring the Goods in conformity with the written specifications supplied by the Customer; or
- (b) replacing the Goods.

125 Any repairs will be done at such place as the Company specifies and the Customer is responsible for cartage of the Goods or parts of the Goods as is necessary to and from the place so specified.

126 The repair of the Goods under this clause does not include the cost or removal of defective material and fixing replacement material.

127 The warranty under this clause does not apply to Goods repaired by any person not authorized by the Company and does not apply if the Goods are used for purposes other than that for which they were intended.

13. RETURN OF GOODS

131 Except as provided in this clause 13 or the Indent Order Terms and Conditions, the Customer is not entitled to return the Goods to the Company for any reason.

132 For defective Goods which the Customer is entitled to reject, the Company's liability is limited to either (at the Company's discretion) repairing or replacing the Goods, or refunding the Price provided that:

- (a) the Customer must notify the Company within 7 days of delivery that the Goods are defective;
- (b) the Company is given a reasonable opportunity to investigate the Customer's claim;
- (c) the Company will not be liable for Goods which have been tampered with or modified without the Company's approval or which have not been stored or used in a proper manner; and
- (d) the Company will not be liable to pay the Customer any amount more than the amount (if any) the Company actually receives from the supplier for the defective Goods.

133 The Company may (in its discretion) accept the Goods for credit but this will incur a handling fee of such amount as the Company may determine (and notify to the Customer) and the amount of any credit will be less any freight costs.

14. LIABILITY

141 The Company will not be liable for:

- (a) failure to deliver the Goods by a specified date (including any dates set out in any order);
- (b) an event beyond the Company's control;
- (c) failure of the Goods however so arising;
- (d) testing the Goods;
- (e) deterioration of the Goods due to exposure to the elements after delivery;
- (f) any negligence, misrepresentation or other act or omission by the Company or its agents; or
- (g) any loss or damage resulting directly, or indirectly, from any of the above.

142 Despite anything else, any liability of the Company arising under the Contract will not exceed the value of the Goods in relation to which the liability has arisen.

143 The Company will not be liable for any loss, cost or expense incurred by the Customer arising in connection with the Goods not being suitable for the purpose intended by the Customer, regardless of whether or not the Customer made the Company aware of that purpose. In selecting the Goods, the Customer relies entirely on its own skill and judgment.

144 During the trial period for the Online Portal the Company makes no representation and gives no warranty as to the validity or accuracy of any of the information describing the Goods that is provided to the Customer via the Online Portal. In agreeing to participate in the trial of the Online Portal the Customer accepts this and agrees that, in doing so, the Customer has contracted out of its rights under section 9, 12A, 13 or 14(1) of the Fair Trading Act 1986.

15. DEFAULT

151 If an Event of Default occurs, and without prejudice to any other rights, powers or remedies the Company may have:

- (a) the Company may suspend or terminate the supply of Goods to the Customer and any of its other obligations under the Contract (and any other Contract), or cancel all or any part of any order with the Customer which remains unperformed;
- (b) all Amounts Owing under each Contract immediately become due and payable not withstanding that the due date for payment has not arisen; and
- (c) the Company may enforce any security interest granted to it by the Customer.

152 The Company will not be liable to the Customer for any loss or damage the Customer suffers because the Company exercises any rights, powers or remedies after the occurrence of an Event of Default, including under this clause.

153 The Customer agrees that, at any time after an Event of Default has occurred or at any time if any Goods are at risk, the Company may:

- (a) take possession of any Goods; and/or
- (b) sell or dispose of any Goods in such manner and generally on such terms and conditions as the Company thinks fit, and, in each case, otherwise do anything the Customer could do in relation to the Goods. The Company and the Customer agree that section 109(1) of the PPSA is contracted out of in respect of particular Goods if and only for so long as the Company is not the secured party with priority over all other secured parties in respect of those Goods. As agent for the Customer, the Company (and its employees and agents) may, without prior notice, enter upon any land or premises where the Company believes the Goods are kept in order to take possession of and/or remove them. The Customer agrees to procure all other rights (including consents) necessary to enable, and to indemnify the Company (and its employees and agents) against any liability incurred in connection with, such entry, taking of possession and removal.

16. PATENTS AND COPYRIGHT

161 Copyright in all drawings, specifications and other technical information provided by the Company concerning the Contract is vested in the Company.

162 If the Goods are to be supplied to the Customer's design, the Customer warrants that the manufacture and supply of the Goods by the Company will not infringe any patent, copyright, registered design or other rights of any other person. The Customer agrees to indemnify the Company against any liability it incurs (including any costs and expenses) as a result of any claim that the manufacture or supply of the Goods by the Company infringes any patent, copyright, registered

- design or other rights of any other person.
- 17. DIMENSIONS AND SPECIFICATIONS**
Dimensions and specifications referred to in the Contract, a catalogue or other publication (whether online or in physical form) maintained or issued by the Company are estimates only. Unless the Company agrees in writing, it is not a condition of the Contract that the Goods will correspond precisely with the dimensions, specifications or customary tolerances. In the absence of customary tolerances, reasonable tolerances will be allowed.
- 18. CONSUMER GUARANTEES ACT 1993 ('CGA')**
18.1 If the Customer is not a consumer as defined in the CGA or the Customer acquires or holds itself out as acquiring the Goods under the Contract for the purposes of a business, nothing in the CGA will apply to the supply of the Goods.
18.2 In the case of any Customer (to which clause 18.1 does not apply), the provisions of the Contract (including these Terms) will only apply to the extent that such provisions do not limit or exclude any provisions of the CGA and will take effect subject to the provisions of the CGA.
- 19. PPSA**
19.1 To the extent permitted by law, the Customer and the Company contract out of:
(a) section 114(1)(a) of the PPSA; and
(b) the Customer's rights referred to in sections 107(2)(c),(d),(h) and (i) of the PPSA.
19.2 The Customer waives its right to receive a copy of any verification statement in respect of any financing statement relating to any security interest granted to the Company by the Customer.
19.3 The Customer agrees to indemnify the Company, upon demand, for all costs and expenses (including legal fees) incurred by the Company:
(a) as a result of the occurrence of an Event of Default (including upon actual or attempted enforcement of any security interest granted to the Company by the Customer); and
(b) in complying with any demand made under section 162 of the PPSA.
19.4 On the request of the Company, the Customer shall promptly do all things (including signing any delivery docket and/or invoice) and provide all information necessary to enable the Company to perfect and maintain the perfection of any security interest granted to the Company by the Customer (including by registration of a financing statement).
- 20. WAIVER AND SEVERABILITY**
20.1 All the rights, powers, exemptions and remedies of the Company remain in force despite any neglect, forbearance or delay in enforcing them. The Company will not be considered to have waived any right, power, remedy or condition unless the waiver is in writing under signature of either the Company or an authorized officer. The waiver applies only in a particular transaction, dealing or matter unless the Company agrees otherwise.
20.2 If any part of the Contract (including these Terms) is held by any court to be illegal, void or unenforceable, such determination shall not impair the enforceability of the remaining parts of the Contract (including these Terms) or any other Contract.
- 21. COMPLIANCE WITH LAWS**
The Company will comply with all legislation, codes and standards specified in the Contract and the Company is under no liability for a failure to meet any other legislation, codes or standards. If, after the Contract Date, there are any changes in any legislation, codes or standards with which the Company must comply, then the Customer agrees to reimburse or pay to the Company an amount equal to any additional costs incurred by the Company relating to such compliance.
- 22. ASSIGNMENT AND CHANGE OF NAME ETC.**
22.1 The Customer may not assign any of the Customer's rights or obligations under the Contract without the Company's prior written consent.
22.2 The Company may assign any of the Company's rights under the Contract without the Customer's consent.
22.3 The Customer must give the Company (addressed to the Company Secretary) not less than 14 days' prior written notice of any proposed change in the Customer's name and/or any other change in the Customer's details (including, but not limited to, changes in the Customer's address, email address, facsimile number, trading name or business practice).
- 23. PRIVACY STATEMENT**
- 23.1 The Company may collect, retain and update information about the Customer which the Company gathers through the supply of Goods to the Customer. The Company may use this information for purposes connected with:
(a) Providing and marketing the Company's existing and future products and services to the Customer;
(b) Keeping the Customer informed of opportunities and developments in areas or activities that the Company believes the Customer may be interested in.
- 23.2 The Company may provide overall statistics about the Company's business, demand for relevant products and services and information relating to the sale of Goods to third parties. Such statistics will not include any personal information which identifies any individual Customer.
- 23.3 Where the Company holds personal information about an individual associated with the Customer, that individual is entitled to request the correction of their personal information. If such an individual wishes to check the personal information that the Company may have collected and holds about them please write to The Privacy Officer, 7 Bruce Roderick Drive, East Tamaki, Auckland, New Zealand.
- 24. TRUSTEE LIABILITY**
If the Customer is a trust, the Contract will bind each trustee of that trust and each trustee personally. The Company's rights against each trustee will only be limited if the trustee is an independent trustee (not being a trustee who has a right or interest in any of the assets of the trust except in the trustee's capacity as trustee of that trust). The liability of an independent trustee shall be limited to the assets of the trust. However, this shall not affect the liability of an independent trustee who has guaranteed, in his or her personal capacity, the Customer's obligations under the Contract.
- 25. REVIEW OF TERMS**
The Company reserves the right to review any of these Terms at anytime and from time to time. If, following any such review, there is any change to these Terms that change will take effect from the date on which the Company gives notice to the Customer of such change.
- 26. TWO OR MORE CONTRACTS**
Where, at any time, there is an Amount Owing under two or more Contracts, the Company may apply a payment made by the Customer under the Contract in such manner (including in such order and to any amounts owing to the Company, including under another Contract) as the Company thinks fit (despite any direction to the contrary and whether before or after any default by the Customer).
The security interest provided for by these Terms and created by the Contract also secures the Amount Owing under any other Contract, and each Contract (and these Terms) shall be construed accordingly.
- 27. GOVERNING LAW**
The Contract and these Terms are governed by the law of New Zealand.

These Indent Order Terms and Conditions apply to all Indent Orders.

1. DEFINITIONS

Terms used in these Indent Order Terms and Conditions that are defined in the Company's Terms shall have the meaning given to them in the Company's Terms. In addition, the following terms shall have the following meanings:
