

PHYSICAL DISTANCING QUEUING SYSTEMS

Unite
against
COVID-19

BARRIERS – only 1 customer permitted between counter and barrier.

X MARKS THE SPOT – 2 metre distance, either side of the door so no contact with other customer. Sign in sheet and sanitizer at each X.

ONE IN, ONE OUT – when there is not enough room for 2 metre distancing.

PHYSICAL DISTANCING COMMUNAL AREAS

Unite
against
COVID-19

**2 PEOPLE MAXIMUM IN
CONFINED AREAS**

REDUCE CAPACITY

CONTROLLED SITE ACCESS PLEASE READ

Unite
against
COVID-19

Due to COVID-19, Steel & Tube have implemented measures to control site access in a bid to reduce one-to-one contact. Therefore, entry points have been reduced and will be controlled.

If you wish to speak to someone on site, or access site, please call

.....

Name

Phone

Please do not walk around the site to find another entry point.

Upon entry, a nominated employee will take your temperature using an infrared thermometer. You will also be required to complete a visitor register which will be used should contact tracing need to occur.

CONTROLLED SITE ACCESS PLEASE READ

Due to COVID-19, Steel & Tube have implemented measures to control site access in a bid to reduce one-to-one contact. Therefore, entry points have been reduced and will be controlled. If you are here to deliver or collect product please call

.....

Name Phone

A nominated employee will come to meet you. Please do not walk around the site to the office entry. Upon being greeted by the S&T staff member, your temperature will be taken with an infrared thermometer, and you will be required to complete a visitor register which will be used should contact tracing need to occur.

Protect yourself and others against COVID-19

SITE SAFE
Te Kaitiaki o Haumaru

Cover your coughs or sneezes with
tissues or your elbow

Put your used tissue in the rubbish bin
or in a plastic bag

Wash and dry your hands often,
especially after coughing or sneezing
– use soap or hand sanitiser

Stay away from others if you're
unwell

Protect your family/whanau from COVID-19 (coronavirus)

This advice is from The New Zealand Ministry of Health

Pangalagaan ang sarili at ibang tao laban sa COVID-19.

SITE SAFE
Te Kaitiaki o Haumarū

Gumamit ng tissue o gamitin ang siko para takpan ang iyong bibig kung ikaw ay nauubo o nahahatsing

Itapon ang ginamit na tissue sa basurahan or sa plastic bag

Maghugas at patuyuin ang iyong mga kamay pagkatapos umubo o humatsing – gumamit ng sabon o hand sanitiser

Lumayo muna sa iba kung masama ang iyong pakiramdam

Pangalagaan ang iyong pamilya laban sa COVID-19 (coronavirus).
