

*For over 80 years Hurricane has provided a range of high quality, hard wearing products made to last in New Zealand's harsh environment.*

## CHAIN LINK

Chain Link is New Zealand made and is suitable for all security and sports fencing applications and is available in zinc aluminium or PVC coated wire. The size of the mesh is calculated by measuring along the side of the diamond. Mesh sizes normally used for fencing are 50mm and 75mm. Diamond sizes available are 25/50/75mm.
