PRODUCT GUIDE › STAPLES & BARBED WIRE

S&T170

For over 80 years Hurricane has provided a range of high quality, hard wearing products made to last in New Zealand's harsh environment.

BARBED STAPLES

Manufactured from zinc/aluminium wire for long life. The staple has barbed parallel legs that allow the staple to splay for grip while the barbs stop the staple working loose. The opposing cuts on the feet give additional holding power by twisting the staple.

RANGE
